5. Jika baris ROLLBACK; pada soal no. 4 dihapus, maka:

1. **Perubahan Menjadi Semi-Permanen:** Gaji karyawan di departemen 90 akan benar-benar naik sebesar 50% di dalam session tersebut.
2. **Nilai Baru:**
    - **Steven King:** 24.000 = **36.000**
    - **Neena Kochhar:** 17.000 = **25.500**
    - **Lex De Haan:** 17.000 + = **25.500**
3. setelah itu saya menjalankan perintah COMMIT, maka kenaikan gaji ini akan disimpan secara permanen di database. Jika tidak ada COMMIT maupun ROLLBACK, perubahan hanya terlihat oleh user yang menjalankan kode tersebut sampai session berakhir.
